

Health Insurance Marketplace Coverage Options And Your Health Coverage

PART A

General information

When key parts of the health care reform law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November each year for coverage starting as early as the following January 1.

Can I save money on my health insurance premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does employer health coverage affect eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5%¹ of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.²

How can I get more information?

For more information about your coverage offered by your employer, please check your Summary Plan Description or contact Southwest General Health Center's intranet site and select the Employee tab, then the Benefits Information tab.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B

Information about health coverage offered by your employer

This section contains information about health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums

3. Employer name Southwest General Health System		4. Employer identification Number (EIN)e 34-1455141	
5. Employer address 18697 Bagley Road		6. Employer phone number Southwest General Health System	
7. City Middleburg Heights	8. State Ohio	9. ZIP Code 44130	
10. Who can we contact about employee health coverage at this job? Southwest's intranet or Human Resources			
11. Phone number (if different from above)		12. Email address www.swgeneral.com	

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

¹ This percentage is adjusted by inflation from time-to-time.

² An employer-sponsored health plan meets the “minimum value standard” if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Important Health Plan Notices

MEDICARE PART D CREDITABLE COVERAGE

Important notice from Southwest General Health System about your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Southwest General Health System and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Southwest General Health System has determined that the prescription drug coverage offered by the Southwest Employee Benefit Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What happens to your current coverage if you decide to join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Southwest coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Southwest coverage, be aware that you and your dependents will be able to get this coverage back.

When will you pay a higher premium (penalty) to join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Southwest and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

▶ Remember:

Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained Creditable Coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

HIPAA SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Special enrollment rights also may exist in the following circumstances:

- If you or your dependents experience a loss of eligibility for Medicaid or a state Children's Health Insurance Program (CHIP) coverage and you request enrollment within 60 days after that coverage ends; or
- If you or your dependents become eligible for a state premium assistance subsidy through Medicaid or a state CHIP with respect to coverage under this plan and you request enrollment within 60 days after the determination of eligibility for such assistance.

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICE

Federal law requires that all plan participants be notified at enrollment and annually of their rights under the "Women's Health and Cancer Rights Act." This notice is being furnished to you in compliance with the requirements of the law.

The law requires that all group health plans that provide coverage for a surgically removed breast must also:

- Provide coverage for reconstruction of the surgically removed breast;
- Provide coverage for surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Provide coverage for prostheses and any physical complications that may occur in any stage of a mastectomy, including lymphedemas (swelling associated with the removal of the lymph nodes).

Coverage for breast reconstruction and any related services will be subject to any Plan deductibles and covered percentage amounts that apply to other covered medical benefits of the Plan.

The provisions of this law are also detailed in your Summary Plan Description.

PATIENT PROTECTION DISCLOSURE

Southwest General Health System Employee Benefit Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Mutual Health Services at www.mutualhealthservices.com or 800-367-3762.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a caesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

HIPAA (HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996)

Notification of Privacy Practices HIPAA includes provisions that protect privacy of health plan participants. These provisions, which went into effect in April of 2003, govern how covered entities such as health insurance companies and the plan sponsor must handle protected health information. Southwest distributes HIPAA Privacy Notices, in accordance with Federal Regulations. You can obtain a copy of the HIPAA Privacy Notice from Human Resources

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

To find out if your state participates in a premium assistance program or for more information on special enrollment rights, you can contact either:

GINA WARNING FOR WELLNESS PROGRAM MATERIALS REQUESTING MEDICAL INFORMATION

When completing the Health Risk Assessment, do not include any genetic information. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request. “Genetic information” as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Please do not include any family medical history or any information related to genetic testing, genetic services, genetic counseling or genetic diseases for which an individual may be at risk.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

Introduction

You’re getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

WHAT IS COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage [choose and enter appropriate information: must pay or aren’t required to pay] for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Important Health Plan Notices

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

WHEN IS COBRA COVERAGE AVAILABLE?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Southwest General Health Center, 18697 Bagley Road, Middleburg Hts., Ohio 44130, 440-816-8000.

HOW IS COBRA CONTINUATION COVERAGE PROVIDED?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

DISABILITY EXTENSION OF 18-MONTH PERIOD OF COBRA CONTINUATION COVERAGE

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. This notice should be sent to: Southwest General Health Center, 18697 Bagley Road, Middleburg Hts., OH 44130, **440-816-8000**.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Important Health Plan Notices

ARE THERE OTHER COVERAGE OPTIONS BESIDES COBRA CONTINUATION COVERAGE?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

IF YOU HAVE QUESTIONS

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

NOTICE REGARDING WELLNESS PROGRAMS

Southwest General Wellness is a voluntary wellness program available to all benefit-eligible employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008 (GINA), and the Health Insurance Portability and Accountability Act (HIPAA), as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for LDL Cholesterol and Hemoglobin A1C. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive incentives.* Although you are not required to complete the HRA or participate in the biometric screening, only employees and spouses who do so will receive incentives.

Additional incentives may be available for employees who participate in certain health-related activities or achieve certain health outcomes.* If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard by calling **888-672-3272** to learn more.

The information from your HRA, and the results from your biometric screening, will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as Southwest's Smoking Cessation Program. You also are encouraged to share your results or concerns with your own doctor.

*Refer to the **Southwest General Wellness** section of this guide for details.

PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

We are required by law to maintain the privacy and security of your personally identifiable health information. Although Southwest General Wellness and Southwest General may use aggregate information it collects to design a program based on identified health risks in the workplace, Southwest General Wellness will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent provided by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individuals who will receive your personally identifiable health information are Southwest General Wellness, Mutual Health Services and Healthcare Strategies in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources at **440-816-8025**.
